Sheriff's Office Update on the Gannon Stauch Case

On February 15, 2020, the El Paso County Sheriff's Office and partners continued to search specific areas and we have over 100 trained individuals and specialized assets to include Search and Rescue, Mounted and K-9's, assisting in today's search efforts. The investigation and search processes continue to run parallel with one another.

The Sheriff's Office has received 540 tips to date. These tips include possible sightings, search suggestions, social media related information, suspicious activity, found property/possible evidence and video/photo/drone evidence.

Please do not send tips through social media platforms as this slows down the investigative process and the timeliness in following up on the tip and/or lead. If you have any credible information please either call our Tip Line at 719-520-6666 or email to Tips@elpasoco.com.

The goal remains to find Gannon and bring him home safely. This is a very active and fluid investigation. Specific details will be released as the investigation allows.
