MEDIA RELEASE

DATE: November 9, 2021 [3:40 PM]
***UPDATE to Shooting On Old Stage Road***
As previously reported in EPSO Media Release \#21-118 on November 6, 2021, the Sheriff's Office continues to actively investigate a shooting that occurred on that date along Old Stage Road in unincorporated El Paso County. A juvenile was shot during this incident and sustained non-life threatening injuries.

Attached to this updated media release is a still image from video surveillance showing a suspect vehicle now sought in connection with this shooting. It is a small gray or silver sedan, appears to be missing its front driver side hubcap, and was captured on surveillance speeding away from the scene on Old Stage Road approximately 30 seconds after the shooting occurred.

We continue to believe this was an isolated incident and there is no known threat to the community.
Additionally, it was previously referenced this shooting may have occurred near the Cheyenne Mountain State Park due to inaccurate initial information received by Dispatch. Further investigation determined the incident was indeed isolated to the 2800 block of Old Stage Road.

If you are familiar with this vehicle, or may have been in the area, or was a witness to this incident, please contact our Investigations Tip Line at 719-520-6666.
